\*Please call to confirm screen/toolrail compatibility

+Din Rail fixing must be specified when ordered

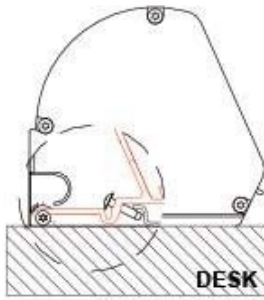

### Clamp Bracket

Data fascias allow data cabling to pass straight through POD, ensuring the integrity of cables which have a minimum bend radii (CAT5e, CAT6, etc)

CB - Clamp Bracket  
Clamps are available for desk thicknesses between 13mm and 55mm

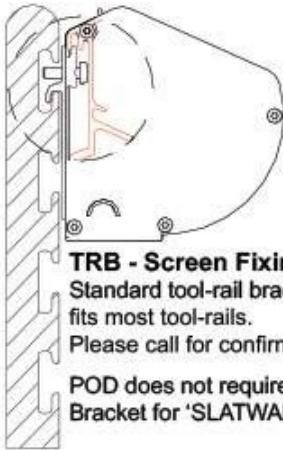

### Din Rail Fixing

**Din Rail Fixing**  
Din-Rail fixing can  
be used for desk-top,  
underdesk, or screen  
mounting

## Tool Rail Fixing

**TRB - Screen Fixing**  
Standard tool-rail bracket  
fits most tool-rails.  
Please call for confirmation  
POD does not require any  
Bracket for 'SLATWALL'
